

## Resume Questionnaire

[Resumizer Free Resume Creator](#)  
<http://resumizer.com/>

Print this page and use it to gather your information to simplify the use of our Free Resume Creator.

By using this questionnaire you will be able to answer the questions at your leisure then transfer the

answers to our Free Resume Creator program where you can also choose your style and colors.

There are many more options in the program but this will put the bulk of it at your finger tips.

The program will then do all of the set up and formatting for you automatically.

You may also join and save your resume online, of course membership is free but it is not a requirement to use any of our services. And we don't charge you a fee for any of it!

Aside from your resume you can use these additional services:
